I also received comments from OGC SDWA folks. I read them to Angela because my computer is not responding well today. **Ex. 5 - Deliberative** Angela is calling Mike D to coordinate with him on all the OGC edits. She is not sure if the changes will be made to the Administrators version and at this point. She suggested that maybe the changes be reflected in the speakers notes. I am about to head to the train station to go into the city for the 1:00 call and will touch base with folks when I arrive.
